SIR,

91 Adverting to Government Proceedings No.893/Ml.52-14-2 dated the 30th July 1915 sanctioning the grant of a site in the Old Pioneercherry to Purohit Raghavendrachar, free of cost, for the purpose of erecting a Chattram for the use of those that resort to the Victoria and Minto Opthalmic Hospitals in the City, I have the honor to state that subsequent to the receipt of the above order, Father Briand of the St. Josephs's Chapel objected to the construction of a Chattram right in front of the proposed Girls' Industrial School as only a road intervenes between the Chattram site and the sites granted to Father Briand for building the Industrial School, on the ground that the Chattram would be resorted to by all sorts of people and that it would be undesirable that the girls should pass by the Chattram to and fro and that the two buildings should be so close together.

2. As the objection raised by Father Briand was considered reasonable, Raghavendrachar was asked to select some other site for

the purpose. As no other suitable site in the vicinity of the - - Hospitals was available he has agreed to build the Chattram on the sites originally allotted to him for his house and to build a dwelling house on the land granted for the Chattram in the said locality. He has also executed a Mutchalika to that effect. The Town Planning and Municipal City Improvement Committee after inspecting the place have also approved this proposal of Raghavendrachar. A sketch of the lands, showing the exchanges referred to above is herewith forwarded for the information and approval of Government. I think the exchange is free from any objection.
